

## DESCRIPTION

The PSP Latex Grip 18-110 is a Hi-Vis glove with a 7 gauge acryl liner covered in latex coating for regular applications in cold environments. The back is open, which provides good ventilation and as a result an excellent comfort. The Hi-Vis provides a very good visibility and as a result it increases the safety of the liner.

This article (PSP Winter Latex Grip Hi-Vis 18-110) has been tested and is certified according to the European Regulation (EU) 2016/425 and the EN standards EN420 / EN388:2016 / EN511.

## CHARACTERISTICS
