

### DESCRIPTION

The PSP 18-555 Winter Cut C Pro DT TS is a cut-resistant winter glove with a double-lined liner. The outer liner is a 15G Nylon / Polyester liner. The inner liner is a 10G brushed acrylic, which keeps the hand warm and is equipped with cut protection. The glove is fully coated with a special Nitrile foam coating with dots, making it ideal for working in oily and wet conditions.

This special Nitrile foam coating is extremely comfortable to wear and ensures warm and dry hands with extra grip due to the nitrile foam coating with dots. Moreover, this glove has an additional treatment which makes it Touchscreen compatible and allows you to operate all kinds of digital devices without taking off the glove. Exactly what you can expect from this comfortable, warm glove.

Article PSP 18-555 is tested and certified in accordance with the European Regulation (EU) 2016/425 and EN standards. EN ISO 21420:2020 / EN388:2016+A1:2018 EN407:2020 and EN511:2006.
