Optional

FEATURES

Compatibility

Low profile design means the EVO® Goggle can be worn with an industrial safety helmet or bumpcap.

RX Inserts

RX inserts are available for the EVO® Goggle range, for combined prescription and safety eyewear. Inserts can be taken to an optician for glazing with corrective lenses.

Comfort

Foam surround on the goggle housing for comfort and to ensure a good fit across a wide range of facial profiles.

Non-Vented

Non-vented goggle body for gas and fine particle protection.
